Figma, Adobe XD, Adobe Photoshop, Adobe Illustrator, CorelDRAW, Canva, VS Code, Jira.

Work Experience

Shreeji Software – UI/UX Designer — Sep 2024 – Present

- During my time as a UI/UX designer at Shreeji Software Company, I was involved in various projects that strengthened my design skills and collaboration abilities. My key responsibilities included:User Research, Wireframing and Prototyping, Design Systems,Collaboration,Usability Testing.

Freelancing – UI/UX Designer — Jun 2024 – Aug 2024

- In my freelance UI/UX design, I worked on various projects, collaborating closely with clients to understand their needs and translate them into user-friendly designs. I conducted user research, created wireframes, and developed prototypes, emphasizing usability and aesthetics. Overall, this experience enhanced my problem-solving skills.

eMonk IT Solutions – UI/UX Designer | Graphic Designer | Web Designer — May 2022 – Jun 2024

- I worked in the UI/UX Design department, focusing on creating intuitive user interfaces and seamless user experiences. My main goal was to enhance user engagement and satisfaction through design excellence.
- I achieved this by conducting extensive user research to understand user needs and behaviors, creating wireframes and prototypes to iterate on design concepts, and collaborating closely with developers to ensure successful implementation.
- I served as a Web Designer at eMonk IT Solutions, responsible for conceptualizing and implementing visually appealing and user-friendly website designs. My primary focus was on crafting engaging layouts, optimizing user experience, and ensuring cross-browser compatibility.

Way To Code Technologies LLP – UI/UX Designer | Web Designer — Sep 2021 – April 2022

- During my tenure as a UI/UX and Web Designer, I focused on creating seamless digital experiences and visually appealing websites to enhance the institution's online presence and user satisfaction
- In addition to UI/UX design, I also leveraged my expertise in HTML, CSS, and responsive design principles to create custom website layouts and interfaces.
